

Marco Island Senior Softball Board of Directors Meeting April 22, 2020

Commissioner Bill Shurina called the meeting to order, outdoors, at the Winterberry Park Pavilion at 8:30 AM.

Present: Ed Caster, Ron Irwin, Ray Kane, Bill Kaschube, Bill Moors, John Remhoff, Bill Shurina, Bill Thompson, Warren Uhl, Tom Whitlock.

Absent: None.

The Commissioner touched on some of the issues which the league faces in view of the Corona virus situation.

The Board agreed to email the following communication to all league members:

The first meeting of the 2020-2021 Marco Island Sr. Softball Board of Directors was held on 4/22/20 at Winterberry Park while observing all social distancing guidelines. Normally at this initial session the Application Process and Fees are reviewed and approved for communication to last season's players and other interested parties.

Given the current government imposed social sanctions due to the COVID crisis and the unknowns surrounding the return to group events, the Board has decided to withhold the release of the 2021 Season Application until early to mid-summer. The Board also voted and agreed that the Application Fee may need to be increased for the 2021 Season based on the negative economic impact the COVID crisis will have on local businesses here on Marco Island who have been our loyal sponsors. We are hoping that over the next few weeks and/or months social restrictions will be lifted as medical progress is made towards containing and curing the virus. When we are confident we will be able to gather again and play softball as a League, we will communicate the Application Process and Fee to all of you via this email communication and through our League Website:

www.marcoseniorsoftballleague.com/

We sincerely hope you and your Families are staying healthy and safe. Hopefully we can all gather again for the 2021 Season and enjoy the fun, camaraderie, and social aspects of Marco Senior Softball.

Sincerely,

Marco Senior Softball Board of Directors
