

Pitching Protection Waiver

I intend to function as a pitcher in the Marco Island Senior Softball League.

I fully understand that the Board of Directors of the Marco Island Senior Softball League very strongly advises that all pitchers employ body protection while pitching. A facemask is the minimal form of shielding recommended by the league, but all other forms such as a chest protector, groin cup, and shin guards are also encouraged.

I acknowledge the fact that the league will provide one facemask per team for use by pitchers on that team. I am also aware that I may purchase protection equipment of my choice for my personal use, which will then be my property. Upon obtaining a paid receipt for any protection items procured by me, the league will reimburse me fifty percent (50%) of the cost.

I further acknowledge that unless I sign this waiver, I will not be permitted to pitch in Marco Island Senior Softball games.

I have read and full understand the above information.

I agree, by signing this waiver, that if I choose NOT to wear, at least a facemask when pitching, I hold the Marco Island Senior Softball League and its Board of Directors harmless in the event of any injury sustained by me as a result of my decision.
